NEW LES KEEPS SOLDIERS CURRENT ON TSP AND RETIREMENT!

This year is bringing a change to soldiers with a new **Leave and Earning Statement (LES)** that will give soldiers some additional information pertaining to the Thrift Savings Plan (TSP) and retirement information. "It will be a great help for us and for the soldiers because the soldiers will no longer have to call us to find out that information and it will save them time." said Staff Sergeant Osmar Molina, Chief of Military Pay, D/208th FB.

RETIREMENT: There will also be two blocks that will advise service members of their retirement status. The Date Initially Entered Military Service (DIEMS) is used to establish which retirement plan a service member is under. The retirement plan varies depending on when the SM came into the service. The three plans are Final Pay, High-3, or REDUX. The information in these blocks comes from the personnel command. DFAS is not responsible for the accuracy of this information but a service member can go to their servicing personnel office and make changes if the information is incorrect.

Travel Issues

➤ **FREQUENT FLYER BENEFITS FOR DOD EMPLOYEES:** Department of Defense employees on official travel may now keep the frequent flyers miles they accrue on flights paid for by the government.

This change comes after the signing of the 2002 Defense Authorization Act by President George W. Bush in late December. The act contains a provision allowing civilian and military federal employees to retain frequent flyer miles and other promotional benefits earned while on official travel for their personal use.

There are some catches though. Travelers must still use the lowest-costing travel option on official business. Scheduling flights with a particular airline to earn more miles at greater cost to the government is prohibited.

If you have any questions about this new program you can contact the Vicenza legal office at DSN 634-8484.

➤ **GOV TRAVEL CARD DELINQUENT ACCOUNTS:** Cardholders with an account balance MORE than 90 days past due will receive a due process letter stating that their net pay will automatically be reduced by up to 15% of the disposable income to pay the undisputed delinquent balance. **Protect your account and make all payments promptly.** Bank of America (BOA) debt collections for non-payment started to be deducted in December 2001. The first debts should appear on soldier's LES as a miscellaneous debt. Questions on collections be directed to Bank of America. **It is crucial that you understand the billing timeline for your gov travel card. Page 4 of this newsletter gives an illustration of the delinquency timeline.** Contact BOA at 800-863-5258 or P.O. Box 53139, Phoenix, AZ, 85072-3139. DFAS-IN is without authority to adjudicate, negotiate, resolve or cancel these debts.

➤ **TRAVEL RE-IMBURSEMENTS:** Travelers can now check the status of their travel settlement using the following:

- Employee/ Member Self Service (EMSS), website below.
- Website--URL below
- Email: DFAS is now sending an email message to travelers AKO account.

President Bush pledges pay raise, More money for Defense.

President Bush addresses members of the Reserve Officers Association at their mid-winter conference in Washington. In his Jan. 23, 2002, address, he told the 1,500 conferees of his intention to boost next year's defense budget request by \$48 billion

WASHINGTON, Jan 23, 2002 -- The United States "will not cut corners" when it comes to national defense, President Bush told about 1,500 members of the Reserve Officers Association here today.

"The tools of modern warfare are effective. They are expensive and in order to win this war against terror, they are essential," he said. "Whatever it takes, whatever it costs, this patient, this resolved nation will win the first war of the 21st century."

The president said the military takes top priority in the 2003 budget he'll present to Congress next week. It includes more than \$48 billion in new defense spending, and another pay raise for the military.

➤ **COST OF LIVING ALLOWANCE (COLA) UPDATE:** Effective, July 1, 1999, COLA policy change was implemented (separate determination for mess availability and COLA). If a member (officer or enlisted) is assigned to single government quarters (i.e. barracks or BEQ) and a mess is available with or without charge, **the member would receive the barracks rate COLA or 47 percent of the single rate.** The intent is that no longer would payment of 100 percent COLA be based solely on the fact that a member is drawing BAS. The installation commander or his or her designee is responsible for determining if a mess is available even though BAS has been authorized or the member is not authorized to use the mess in all circumstances. In the case of enlisted members, a mess is generally available at each installation and the determination for 100 percent COLA must be based on the ability for use of the mess (even though rations are authorized).

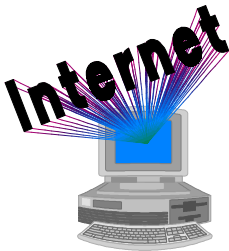

Note: For COLA purposes, if the member purchases meals, or receives meals at no cost at a government mess, then mess is available. Neither service policy regarding mess availability nor receipt of any amount of BAS by the member has any effect on the reality of the government mess being available.

➤ **OFFICER CLOTHING ALLOWANCE:** The National Defense Authorization Act for 2002 has changed Section 416(b) of Title 37 to allow an officer to receive both the \$400 initial and the \$200 additional upon entry on active duty. This is a retroactive change effective October 1, 2000. Commissioned/appointed officers/warrant officers commissioned between October 1, 2000 and now are also entitled to receive both allowances.

➤ **LUMP SUM PAYMENTS, TAX CHANGE:** Effective 01 January, 2001, the federal tax for supplemental payments has decreased from 27.5% to 27%.

➤ **TRICARE DENTAL INSURANCE:** Effective January, 2002, Tricare Dental Premiums increased 3.5%. For more information logon to WWW.UCCI.COM or contact United Concordia.

- **Government Securities Investment (G) Fund**
- **Fixed income Index Investment (F) Fund**
- **Common Stock Index Investment (C) Fund**
